## TERMINAL DISCLAIMER

SIR

The owner, IGT, of 100 percent interest in the above-referenced application hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the above-referenced application, which would extend beyond the expiration date of the full statutory term defined in 35 U.S.C. §§ 154 to 156 and 173, as presently shortened by any terminal disclaimer, of issued U.S. Patent No. 6,394,902. The owner hereby agrees that any patent so granted on the above-referenced application shall be enforceable only for and during such period that it and the prior patent is commonly owned. This agreement runs with any patent granted on the above-referenced application and is binding upon the grantee, its successors or assigns.

In making the above disclaimer, the owner does not disclaim the terminal part of any patent granted on the above-referenced application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. §§ 154 to 156 and 173 of the prior patent, as presently shortened by any terminal disclaimer, in the event that it
